NDIS FEE SCHEDULE for plan-managed or self-managed particpants – FY 2026-27

Continence Assessment, Report & Prescription

A comprehensive Continence Clinical Nurse Consultant (CNC) assessment is typically **4–6 hours**, billed at:

Weekday: $175.18 per hour

Saturday: $250.12 per hour

The assessment may include clinical assessment, review of relevant medical and allied health information, clinical reasoning, continence product assessment and prescription where required, and preparation of a clinical report with individualised recommendations.

Shorter consultations may be available by request.

Ongoing Clinical Services

Follow-up consultations, reviews and additional clinical work are billed at:

Weekday: $175.18 per hour

Saturday: $250.12 per hour

The number of hours required will be discussed and agreed according to the participants' individual needs.

Telehealth

CCA provides Australia-wide continence assessments via secure telehealth.

No travel time or mileage fees apply to telehealth appointments.

Home Visits – Central Coast NSW

Home visits are available by arrangement.

Travel: $1.00 per kilometre, calculated on the return journey, up to a maximum distance of 50 km.

Travel costs will be confirmed before the home visit and are subject to the applicable NDIS claiming rules.
