Community

Partnerships and Relationships

Establishing Partnerships and respectful relationships between Children, Families, OSHC staff and the School to help keep continuity of care across all areas of the childrens day

Belonging and Feeling safe

We want all children to feel safe, supported and have a sense of belonging at our centre

Childrens Wellbeing

We understand that every child is unique. We support children to be themselves. We respect their decisions and nurture their wellbeing.

Community and Culture

Creating a strong foundation with embedded roots that go all the way from the hearts of the staff, through the centre, the families and all the way through to the community
