Monthly Competition General Rules 2026/2027

1. As a general rule competition's will be on the 2nd Sunday of each month with the 3rd and 4th Sunday as standby dates.

2. Timings :

Sign On – Any time but we need commitment from 3 boats for any competition to start.

Start Time - April to September 7am
October to March 6am
Start time for beach anglers is 4pm Saturday (all months)

End Time - Weigh in starts at 4pm and all bags must be in the weigh-in area for the weigh-in start.

3. Competition Fees: Adults $5, Juniors (Under 16) $2.50, Visitors enter for free.
4. All competitors should register on WhatsApp or by text before launching for boat anglers or before you start fishing for beach anglers.
5. **There must be a minimum of 3 boats.** this no longer has to be within 30 minutes of the start time, competitors can register that they will be starting later than the start time and will be included in the boat count.

   A competition will automatically be called off when there is a STRONG WIND WARNING forecast between 4:00 a.m. (the B.O.M's inshore forecast) and midnight OR

If the forecast is poor the competition will be moved to the next standby date. We will avoid running competitions in bad weather and the A&S will make that call.

If a fish is excluded all other fish caught still count.
Present your catch in a suitable bag with your name on it.

How to correctly measure a fish

(FRMR Regulation 151, Schedule 8)
Fish should be measured in a natural' position, i.e. tail not distorted (the tail should be laid flat and mouth closed Most finfish are measured from the point of the snout to the tip of the tail.
