- Monthly social events including barbeques, quiz nights, family days and dinner dances.
- Perfect place for local people to meet and get to know each other.
- Licensed clubrooms run by Committee members stocking a range of beers, wines, spirits and soft drinks.
- Great events including the AGM, Christmas, Easter and Annual Trophy nights.

FISHING

- Fish for the Future - we ensure our members and their families support, understand and actively promote this.
- Monthly fishing competitions attended by members and visitors alike.
- Prizes are awarded in men's, ladies and children's divisions.
- Competitions are species based with only one fish of each species being weighed in by each angler.
- By targeting species rather than quantities of individual species we encourage fishing for the future and a number of different fishing styles.
- Competitions are great days. Perfect opportunity to explore the offshore reefs and further afield for those more experienced seafolk!
