ULTIMATE SITE
SOLUTIONS

AUSTRALIAN MADE

6.5 Mobile Site Van (6.5 RG Series)

Your towable site office with amenities, ready to work in minutes.

Create a comfortable on-site base with meeting space, a kitchenette, water and waste tanks, and safe access, perfect for projects that require relocation or sites without permanent facilities.

Ideal for:

- Construction sites
- Remote work
- Events
- Temporary project offices

Made for Life on Site

Simple to Move • Easy to Use • Ready to Work

Towable

Easy to relocate as your project moves.

Site-Ready

A practical base for meetings, admin and breaks.
